FOREWORD

The school year 1958-1959--like so many that have gone before it--brought all of us some failure, some unhappiness, some misery. It also had its moments of triumph and happiness.

In the picture record of a year at Turlock High School, the Alert Staff sincerely hope that it has captured many happy memories deserving status.

Principal's Message

FAITH, HOPE AND COURAGE

The atom-powered submarine Nautilus has completed man's first voyage under the Arctic Ice Cap. An atomic explosion may blast a new harbor for Alaska. Frontiers of outer space have been breached.

Twentieth Century technology, which has brought mankind so many blessings, has also increased man's power to do evil. The forces of good and evil hang in precarious balance.

Young men and women, you will assume the privileges and responsibilities of citizenship in a few short years. You will need to be wiser, more patient, and of keener vision than the present generation. You will require a deep sense of moral responsibility. The compelling problem of our time is how to employ human intelligence for the salvation of mankind. Faith, hope and courage must go hand in hand with understanding and dedication.

John H. Pitman
Superintendent and Principal

Fred Seidler

Turlock's experiment in international good will and understanding worked very well this year. In the same spirit, we dedicate this, the 1959 Alert, to our good friends from across two oceans.

FACULTY

BOARD OF TRUSTEES

The community has entrusted the general supervision of our school to five men--Mr. John Swenson, Mr. Kenneth Monteith, Mr. Carroll Adams, Mr. Henry Weiss, and Mr. Verne Crowell--who put in many uncompensated hours serving Turlock High School's students and faculty. Since they have demonstrated a sense of responsibility by their service, it is proper for the school and community to express sincere gratitude to them.

S I T Y

The Varsity team this year had a very good season under the coaching of Les Ratzlaff, Don Goldstein and Ed Jalli. They won 6 out of 9 conference games, this wasn't quite as impressive as our record last year. The games we lost were just one touchdown difference, with the other team winning due to our bad breaks. One game that can't go without mention is the game against the Lodi Flames, in which we won a very hard fought battle (6-0). On the Varsity squad this year there were ten returning lettermen. The co-captains of the year were Tom Fetherston and Ron Sarhad.

B Offense

The Bullpups were coached this year by Ezio Pedretti and Vern Pitau. Had the Bullpups won their last game of the season against Modesto, they would have won the championship for the fifth time since 1950. Since 1950 the Bullpups have won four championships and two co-championships. The 1958 co-championship was shared between four schools; Downey, Lodi, Modesto, and Turlock. The Bullpups have an excellent chance for another great season next year.

Freshman Squad

This year under a new coach we had a new type of team. Yes, for the first time at Turlock High, we had an all-freshman team under the coaching of Don Odishoo. The team had a good season winning 9 out of 13 ball games. As you know, the experience the boys received this year will strengthen the future Varsity teams. Watch these boys closely, for they are the "stars of the future."

Our varsity came out in fourth place in the Central California Conference this year. Many of the important games could have gone either way. In all, we had a very successful season.

B CHAMPIONS

V. PITAU, Coach

This year's B team had a very successful season. They took league championship and consolation champions of the first B Sectional Tournament in Modesto. The team had nine players of equal ability; there were no individual stars. The main strength of the team was their superior rebounding ability. They were slow to start but really poured it on in the last half. The season record was 11 wins and 2 losses.

VARSITY WRESTLING

The Bulldogs started off a successful season by completely dominating the tournament and winning the Novice Championship. The dual meet record was 14 wins and 2 losses, both to Modesto by close scores. The Central California Conference and the Sac Joaquin Section Championships were won by the Turlock wrestlers. The loss of this year's graduating seniors will leave a great number of weights to be replaced by the Jay Vees for next year's team. This is the second year the Bulldogs have won the Central California Conference Championship. The outstanding dual meet victories were Turlock 32 - Fresno 10 and the 36-15 walloping handed to Madera.

GEORGE BROWNING 1894-1959

With the death of Mr. Browning on March 31, 1959, fifteen years of faithful service to Turlock High School came to an end.

The shrubs, the lawns, the trees which he so diligently planted and carefully tended, remain to strengthen and foster our memories of him and his labors.
